CONFIRMATION LETTER

We confirm that, for reasons of alignment of the validity period of the certificates, we have planned the audit for the renewal of the ISO 9001, ISO 14001, ISO 45001 and DESP Module H certifications from 17 to 21 November 2025 in Marseille and on 03 and 04 December 2025 in Lomme.

This will result in the validity period of the ISO 9001 and PED Module H certificates being exceeded. An unannounced audit carried out on 26/05/2025 allowed us to note the proper functioning of the Quality Management System of the company Sud Robinetterie

We hereby extend the validity period of these two certifications until 31/12/2025 for the Marseille and Lomme sites.

We remain at your disposal for any further information.
